I'm going now. You have exams soon right? Don't play around too much.
I know, take care ma! See ya!
.....
Rustle

Monk?
Completely still
Monk?
Completely still
Monk?
Monk!
Shake
Shake
Monk!!

Huh?!!! The monk is stiff as a board!?
Did he run out of oxygen in the closet? Could he be.... dead?
Grabs!
Yan landlady, you shouldn't approach a man so idly. Conduct yourself with more dignity!
Slap!!

Why didn't you make a sound? You scared me!

This humble monk must ask you, landlady Yan. For what reason did you lock me in the cabinet?

Ahaha~
Ah~ Errr well I was afraid of you being found by my ma?

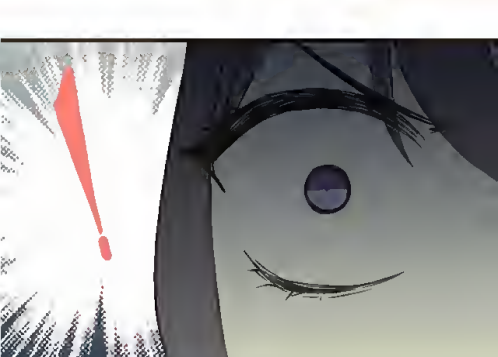
Really? Why does this humble monk somehow feel that it was actually due to the maliciousness of Yan landlady?

Eh~~~~

Forget it. This humble monk shall not argue with you about it this time.
Is he mad?

Oh that's right,

you forgot this thing last time.



Give it!
Can't you tell me what this thing is, landlady Yan?
Over here!
It's a blindfold! A blindfold!

So it's a blindfold is it....

Come back here you weirdo monk! What have you done to my body?!
And take this thing off my head!
No need to worry I just touched some pressure points. Since Yan landlady is so naughty, in the place of Buddha I have adminstered divine punishment.

Even though he said he wouldn't argue?
